DIRECTOR ON LEAVE **Standard Operating Procedure**

Effective Period: 25 May – 5 June 2026

To all staff,

During the Director's leave from 25 May to 5 June 2026, this document is your reference. It defines:

- What you can decide on your own
- What needs WhatsApp approval from the Director
- What requires an immediate phone call
- What is forbidden during this period

There is NO acting Director. Each function reports directly. No one person can override another. Disputes are decided by the Director via WhatsApp — usually within 30 minutes.

1. DECISION AUTHORITY MATRIX

Three categories for every situation: **DECIDE YOURSELF** (proceed), **GET APPROVAL** (WhatsApp Director, wait), **CALL IMMEDIATELY** (phone call, urgent).

Police visit	CALL IMMEDIATELY	Receive politely. Call Director. Do NOT volunteer information or sign anything.

2. ESCALATION — WHO TO CONTACT, WHEN

If no answer, voice note + WhatsApp 'URGENT' + try again in 10 min.	• Fee waiver / discount request • Staff casual leave • Expense ₹5K – ₹15K • Vendor onboarding request • Unusual marketing opportunity • Faculty schedule change • Unknown but routine visitor • Equipment purchase need Action: WhatsApp with full details + photos. Wait for written 'Yes/No'. Do NOT proceed on silence.	• Standard admissions at full fee • Routine parent counselling • Daily cash collections • Routine vendor sales calls • Expenses under ₹5,000 • Lead follow-ups • Print / design routine work • Cleaning, tea, classroom setup Action: Execute as per Daily Tasks sheet. Log in your daily log. Report at EOD.

Type	Response within	If no response
RED phone call	Immediate (or callback within 15 min)	Use judgment + call again in 30 min
ORANGE WhatsApp	Within 2 hours during 9 AM – 9 PM	Re-send after 2 hours; do not proceed
Routine WhatsApp updates	Reviewed at 9 PM daily	Continue normal work

3. DAILY REPORTING DISCIPLINE

Two reports daily. Both mandatory. Both linked.

EOD WhatsApp Timing — Director receives 6 messages in this order:

Time	From	Contains
5:45 PM	Muzammil	Print/design completion + pending faculty requests
6:00 PM	Anjali	Dials, connects, counsellings booked, admissions
6:45 PM	Samiksha	Dials, connects, counsellings booked, admissions
6:45 PM	Madhu	Counsellings done, admissions CLOSED, hot prospects
7:00 PM	Sowmya	Leads generated + sources + field photo proof
8:00 PM	Bawankar	Cash position + collections + cash book photo

Excel Log Entries (same numbers as WhatsApp):

- Every staff member opens the shared 'Remote Tracker' workbook in Google Sheets daily.
- They go to their personal log sheet (e.g., 'Anjali Log') and fill the row for today's date.
- Same numbers as WhatsApp. Numbers in Excel must exactly match the WhatsApp message.
- Excel log filled BEFORE WhatsApp message is sent (so you can double-check).
- Director sees both in real-time. Mismatch between Excel and WhatsApp = automatic red flag.

Cross-Verification — Numbers That MUST Match:

- Rule 1: Counsellings booked by Anjali + Samiksha = Counsellings scheduled in Madhu's log.
Rule 2: Admissions closed in Madhu's log = Number of fee receipts in Bawankar's log.
Rule 3: Leads generated by Sowmya = New entries added to Lead Tracker that day.
Rule 4: Walk-ins met by Madhu $\approx$ Walk-ins observed/served by Aarti (rough match acceptable).

If numbers don't match, someone is wrong. Director will ask both people for the truth. Repeated mismatches → disciplinary action.

4. FORBIDDEN DURING THIS PERIOD

These are absolute. Violation = serious consequence. No exceptions, no creative interpretations.

1.	Quoting any non-standard fee, discount, or scheme to a parent <i>Only Director can approve a deal. Quoting it makes it a commitment we must honor.</i>
2.	Issuing any refund — full or partial — without Director's WhatsApp approval <i>Even ₹500 refund needs approval. Refund without approval = financial misconduct.</i>
3.	Closing the office before 8:30 PM on any day <i>Even if cash is locked, even if all batches are done. Stay till 8:30 PM.</i>
4.	Faculty leaving early without informing Director <i>Faculty cannot 'adjust' classes among themselves without telling Director.</i>
5.	Granting staff casual leave without 24-hr advance approval <i>Medical emergency = different. Casual / personal = needs approval.</i>
6.	Spending more than ₹5,000 without WhatsApp approval <i>Even on 'routine' things. Save the bill, ask first.</i>
7.	Giving any statement to media, government inspector, or stranger <i>Politely defer: 'Director will respond after 5 June.' Do not sign anything.</i>
8.	Posting on Academy Instagram / Facebook without Sowmya's approval AND your usual content rules <i>Brand consistency matters more during your absence, not less.</i>
9.	Modifying the Lead Tracker, Counselling sheet, or Remote Tracker structure <i>Add data, don't change columns / formulas. If something looks broken, WhatsApp Director.</i>
10.	Negotiating or committing to any new vendor, supplier, or partnership <i>Take their card. Tell them to return after 5 June.</i>
11.	Promising any student / parent about results, ranks, or guarantees <i>Standard line: 'We work hard, results depend on student effort.' Nothing more.</i>
12.	Discussing internal academy matters with parents, students, or outsiders <i>Salaries, internal disputes, business performance — none of these get discussed.</i>

5. WHAT DIRECTOR EXPECTS ON RETURN

On 6 June 2026 morning, Director will sit down with everyone for a 30-minute review. By that time, expected to see:

1. Lead Tracker — fully updated

Every lead from the past 11 days entered. No backlog. Status accurate.

2. All Daily Logs — 100% complete

Every person's log has 11 filled rows (one per day). No blanks.

3. Cash book — reconciled

Bawankar's daily entries match bank deposits. Photos of cash book pages saved.

4. Red Flags log — every incident documented

Even small things. Better over-report than under-report.

5. Cross-Verify — zero unexplained mismatches

Any mismatch that occurred during leave should have a written explanation in the Notes column.

6. Continued admissions pipeline

Director should see admissions closed continuously, not just bunched on one day or zero throughout. Steady = healthy. Bunched = suspicious. Zero = lazy.

7. Tomorrow-ready

Sufficient print materials, no pending faculty requests > 24 hrs, no leads stale > 5 days.

A final word:

The Director is on leave but not absent. He is one WhatsApp away, 11 days only. The academy's reputation, your reputation, and your career grow when you treat his absence the same way you'd treat his presence.

If something feels wrong, ask. If something looks unclear, ask. If you're tempted to take a shortcut, don't — ask.

We'll see how each one of you handled this period. That's the test.
