

THE RANKERS ACADEMY

Director's Leave Period: 25 May - 5 June 2026

Each staff member sends ONE WhatsApp message to the Director daily, using their personal template below. Same format every day. Numbers in Excel log must match the WhatsApp message.

Why this fixed format?

1. Discipline: Same format every day means staff cannot hide information by writing vaguely.
2. Quick scan: Director reads 6 messages in 3 minutes.
3. Cross-check: Numbers in different reports must add up. Mismatch = something is wrong.
4. No mood-based reports: The template tells them exactly what to fill. No "today was good" type vague answers.

Instructions to Director:

Print pages 2-7 separately. Hand one printed card to each staff member. They stick it at their desk. Daily, they open WhatsApp, copy the template, fill in numbers, and send.
